ASK THROUGH CAR SERVICE.

Maryland Residents Oppose Transfer When Coming to Washington.

A complaint has been filed with the interstate commerce commission by R. H. McNeill, asking that the Washington Railway and Electric Company, the Georgetown and Tenleytown Railway Company and the Washington and Rockville Railway Company be compelled to operate through car service between Rockville and the downtown business section of Washington.

The complaint states that passengers on the Rockville and Tenleytown cars are required to transfer at Wisconsin avenue and O street, in Georgetown, and alleges that this transfer is a hardship on such passengers. It sets forth that the railways complained of are common carriers doing an interstate business, and as such aresubject to the act of Congress of May, 1908, which gives the interstate commerce mission jurisdiction over the local

> CHEVY CHASE CHARTER PLANS. Incorporation Discussed at Mass the idea. The resolution was adopted Meeting of Citizens.

The terms of the proposed new charter for Chevy Chase were explained at a meeting of citizens last night at the Chevy Chase library hall. It was decided that the charter should be submitted to the Maryland legislature.

Charles L. Frailey opened the debate on the charter. A motion to elect a councilman for each subdivision was voted down and the council will be elected as a whole. In addition to sections 1, 2 and 3, which had previously been included in the provisions of the charter, it is now said to be certain that section 4, known as Martin's Culverwell, secretary; C. H. Adkins subdivision, together with Otterburn and treasurer; H. W. Melville, financial seccertain that section 4, known as Martin's Williams' tract, two other subdivisions, will be a part of the new incorporation. Dr. James Dudley Morgan presided a the meeting, which was attended by 150 residents of Chevy Chase, and Thomas E. Robertson was secretary. A committee appointed to hear objections to the newly drafted charter is composed of Dr. James D. Morgan, Dr. Ryan Devereux, Charles L. Frailey, Harvey

F. E. Johnson Lectures on "Tunis, Tripoli and Northern Africa."

Frank Edward Johnson, the American artist-explorer, lectured yesterday afternoon and last night, at the new Masonic Temple, before the National Geographic Society, his subject being "Tunis, Tripoli and Northern Africa." While he gave tomorrow afterndon at St. John's Episco- much information in regard to the peoples and the customs of these countries, a large part of the lecture had to do with Mr. Johnson's explorations and investigations in the remote inland regions oof northern Africa, and his studies of the Troglodytes, the cave dwellers who have from prehistoric times occupied that part of the Dark Continent. Mr. Johnson was the first white man to visit the remote cave towns and vil-

lages of the Troglodytes, and the lantern

slides which he used to illustrate his lec ture were made from the only photographs that have ever been taken of these incredibly ancient cities, which are vast collections of caves in the sides sinks or pits in the Sahara desert. The pictures showed the cave villages, one tier above another, often as high as five or six stories, with narrow, irregular ledges to serve as stairways from one story to another, the projections offering the merest foothold and with no handrail or other protection against falling Up and down these rude stairs, Mr. Johnson said, the men and women, as well as the children, skip and clamber, never falling, and affording a convincing illustration of the necessity for the universal sobriety which is a part of their religion. Mr. Johnson, who has spent the greater part of his life in the countries he described, has been decorated by the French ident, and M. A. Leese was elected treas- government and the Bey of Tunis for his In the audience last night were the not considered for re-election. George H. French ambassador and Mme. Jusserand
